Looking to advertise your business, promote a new product or short-term special, or do you need to announce an upcoming event? An eye-appealing customized banner or sign with colorful and striking graphics most certainly helps get the message out.

In the following pages are proven approaches to creating a variety of banners, signs and point-of-purchase products to dynamically emphasize the business brand and highlight products, services and events. The illustrated sizes, materials, finishing and printing meet many clients' wanted specifications. We bring those customer concepts to reality.

Don't know exactly what you want? Our team of professional designers will work with you and provide effective ideas and options to assist in the process of creating vibrant Promotional Graphics products.

We have been producing these products since 1969. We maintain both traditional screen printing capabilities along with digital inkjet technology to address the specific needs of each customer. Whether promotional in nature or to address a long-term solution we have the products and capabilities to meet the needs of each customer.

- ❖ **CHANGE OF COPY:** *(Unless otherwise noted)* sold as separate order
- ❖ **CHANGE OF COPY COLOR: (COLOR BREAK SAME)** *(each)* \$24.00 (G)
- ❖ **SPECIAL COLOR MATCHES (PMS COLORS):** *(perfect color match not gauranteed)* *(each)* \$24.00 (G)
- ❖ **ABSOLUTE MINIMUM:** *(Unless otherwise noted)* first column listed

Our primary printing methods include digital inkjet and silkscreen (where heavy layers of ink are applied to a substrate through a screen mesh carrying the image to be printed). For long-term durability and color intensity please specify silkscreen process.

Process color images can be screen-printed. Please note the coarse resolution (65 to 85 lines) will apply to process color screen-printed images.

Standard Ink Colors: The following inks may be requested for promotional graphics items (banners, signs, counter mats, etc.) without incurring any special PMS charges:
